

This product passed all the resistance tests, required by the Quality Control, and is fit to be used.

STAY assures the purchaser of this product warranty against defects in raw material and workmanship for the lifetime of the product, by submitting for verification the invoice issued by the reseller to the consumer. STAY warranty does not cover defects or wear and tear caused by use of the product.

STAY declares that the warranty will be null and void if it is established by them, or by the Accredited Technical Assistance, that the equipment suffered damages caused by use in disagreement with the instruction manual, accidents (falls, bumps, etc.), misuse, improper facilities, damages caused by theft or vandalism, altered, adjusted or arranged by unauthorized third parties. Damage or defects caused by external agents and other parts that wear naturally with the use, or by abnormal conditions of use, under no circumstances will be the responsibility of the manufacturer (STAY). The warranty does not include freight charges; it will be the sole responsibility of the owner. The repairs and maintenance of the equipment, within the warranty, are exclusively the responsibility of STAY Technical Assistance personnel. We recommend the installation of your STAY stand to follow the instructions inside the packaging. You can also find the tutorial videos of the assembly on our website www.staymusic.com.br
